## *NH Veterans Home Plans Appreciation Day*

The New Hampshire Veterans Home will honor its supporters at the 16th Annual NHVH Appreciation Day on Saturday, July 14, 2007 from 11:00 a.m. - 2:00 p.m. at the Home on Winter Street in Tilton. This special day of thanks will take place under the Home's Picnic Pavilion - rain or shine – and will include a barbecue and entertainment by the Amoskeag Strummers.

Barry E. Conway, NHVH Commandant, said “We are grateful to so many people for their continuing support—and this is a small way of expressing our thanks. It’s amazing and humbling to realize that the support we receive comes from so many different parts of the community: state, federal, and local government; veterans’ organizations; civic groups; businesses; and individuals. We are truly blessed.”
